The Royal Regency Hotel is a boutique hotel located in Yonkers, 15 miles north of New York City. Family-owned and operated, the hotel is "dedicated to providing guests with excellent customer service and a friendly atmosphere to help guests feel comfortable".

[Worldhotels](#) says: "The home-spun hospitality reflects the family's pride in their Greek-American heritage. Venue, the hotel's on-site restaurant and lounge, provides dining options for both lunch and dinner. It offers room service as well."

The hotel's amenities include a fitness centre, Wi-Fi, on-site parking, continental breakfast, onsite car rental service and same-day dry cleaning.

"Worldhotels is an excellent, global partner for the Royal Regency Hotel to team up with to expand our reach. We are thrilled to showcase the hotel's gorgeous renovations and upgrades to a broader market, and Worldhotels is helping us do just that," said Maria Pampafikos, co-owner and vice president, Royal Regency Hotel.
