EGGS-TRAORDINARY

The Royal Regency Hotel in Yonkers recently hosted its second annual "Easter Eggstravaganza" celebration, an event packed with Easter-themed activities for kids of all ages and their families. It included a buffet-style Easter breakfast, a visit from the Easter Bunny, an Easter egg hunt, face painting, balloon artistry, coloring, dancing and other activities. All profits from the festivities were donated to the Campaign for the Westchester Children's Museum.
