YONKERS, N.Y. -- The Royal Regency Hotel in Yonkers recently hosted its 2nd annual "Easter Eggstravaganza" celebration from 9:30 a.m. to 12:30 p.m. on Saturday, March 28.

The event was packed with fun Easter-themed activities for kids of all ages and their families. It included a delicious buffet-styled Easter breakfast, a visit from the Easter Bunny, a professional photographer, Easter egg hunt, face painting, balloon artistry, coloring, dancing and other fun activities. The activities took place in the newly renovated, Crystal ballroom at The Royal Regency Hotel.

All profits from this event will be donated to the Westchester Children's Museum. The Campaign for the Westchester Children's Museum is currently raising funds to help inspire play, imagination and hands on learning all year round allowing children to continuously grow and thrive. The Westchester Children's Museum, at Playland Park in Rye, came to life during Playland's 2014 Summer Amusement Season and will open up again this May to the community.
