Royal Regency Hotel Hosts Annual Easter Eggstravaganza

The Easter Bunny was a big hit at the Easter Eggstravaganza.

The Royal Regency Hotel in Yonkers hosted its second annual "Easter Eggstravaganza" on March 28, which was packed with Easter-themed activities for kids of all ages and their families.

The day included a buffet-style breakfast, a visit from the Easter Bunny and a professional photographer, an egg hunt, face-painting, balloon artistry, dancing and other fun activities, which took place in the newly renovated Crystal ballroom at the hotel.

The hotel, located at 165 Tuckahoe Road, is currently undergoing a multi-million-dollar renovation that will rebrand and transform it into Westchester's first trendy boutique hotel, inspired by the building's past and Yonkers' bright future. The hotel will continue to remain open during renovations, which are expected to be completed by the summer.

All profits from this event will be donated to the Westchester Children's Museum. The Campaign for the Westchester Children's Museum is currently raising funds to help inspire play, imagination and hands-on learning all year round, allowing children to continuously grow and thrive.

The Westchester Children's Museum, located at Playland Park in Rye, came to life during Playland's 2014 summer amusement season and will open up again to the community this May.
